

Aug. 14, 2008 - Changes to the National Account Program

Region: Global

Effective October 15, 2008, orders for Aegis-00 Series telephones will not be bundled with our National Account Package. Scitec is changing the National Account Program offering. The minimums, and offer in general, will remain the same, but the National Account Program will NOT be offered on Aegis-00 models after 10/15/2008.
