### **Scitec Establishes Sales Office In China.**

Scitec Inc. a leading supplier of economy hospitality and business telephones is announcing its newly established sales center in China.

The China Sales Team is focused on capturing the expanding China hospitality market. "We have thirty five (35) sales, service and technical people actively pursuing business within China," says Dr. Bing N. Sun CEO of Scitec & Telematrix.

"The approach is to provide better sales and sales support to a growing market. Our factory has immense capability, employing hundreds of technicians and engineers. We have selected a great team to handle this key sales area. They know the customs, personalities and most importantly the products inside and out," says Jose Quiros, VP Sales & Marketing for Scitec & TeleMatrix.

Scitec's facility in China is an ISO 9001 certified manufacturing facility employing more than 900 factory workers and 120 full time R&D engineers. Scitec's manufacturing plant manufactures over 3.6 million telephones per year under a variety of brand names and OEM arrangements.
