Scitec Granted Minority Business Enterprise (MBE) Certification Approval Under Federal BEP Act.

Scitec, Inc., a leading global ISO-9001 and RoHS-certified manufacturer of telephones, has announced the granting of Minority Business Enterprise (MBE) certification status. Under the terms of the Business Enterprise Program for Minorities, Females, and Persons with Disabilities (BEP Act), the MBE certification is valid for two years, and qualifies Scitec to compete under the terms of the Act for contacts with federal, state, and municipal agencies and public universities.

According to Bing N. Sun, Ph.D., Scitec President & CEO, "We appreciate the MBE program certification and are committed to meeting the ongoing telecom needs of the federal, state, and municipal agencies and schools under the terms of the BEP Act."
