For Immediate Release - Urbana, IL – April 24, 2006

Scitec Telephones Certified RoHS-Ready.

Scitec, Inc., a leading ISO-9001-and newly RoHS-certified telephone set manufacturer and VoIP solutions provider, has received RoHS certification of the company's entire product line effective immediately. Scitec has complied with this mandatory requirement well ahead of the 2007 deadlines.

The RoHS directive, which stands for "the restriction of the use of certain hazardous substances in electrical and electronic equipment", bans new electrical and electronic equipment containing more than agreed levels of lead, cadmium, mercury, hexavalent chromium, polybrominated biphenyl (PBB) and polybrominated diphenyl ether (PBDE) flame retardants for sale in United States (U.S.) and European Union (EU) markets.

About Scitec

Scitec and TeleMatrix merged on April 17th, 2006, consolidating four popular telephone brands, including the Marquis® Series (hospitality), Aegis® Series (hospitality), Spectrum PLUS® (business) and Regency® (residential). The merged company customer base exceeds 6 million units installed at over 25,000 commercial customer locations worldwide. Call +1-217-384-6041 or visit www.scitecinc.com for details.
